

Join the Buckeye Vintage Haulers

Your Local Truck Historical Society

Mission Statement:

To preserve and restore machines of a bygone era with equal amounts of enjoyment and camaraderie, and to share them with others so they can enjoy them as much as we do.

Who we are:

We are a diverse group of men and women from all walks of life who enjoy rolling up our sleeves and working on old machines. We work together as a group to help one another enjoy our hobby. We hold bi-monthly meetings at different locations. Whenever possible, we strive to hold our meetings at a location which includes a tour of business or point of interest which relates to our hobby.

We sponsor several events throughout the year, such as a truck show or antique power show, at various central Ohio locations. We would like to personally invite you to contact us and help us share our hobby with you.
